

Oral Health Literacy Training Program

- Do you work with families within Wards 7 & 8?
- Is your organization interested in improving oral health awareness, education, and literacy?

The DC Pediatric Oral Health Coalition has developed an Oral Health Literacy Training Program for professionals (health educators, community health workers, day care providers) to inform families about the importance of preventive oral care which will improve positive health outcomes.

When: May 24, 2016 9am-11am

May 26, 2016 9am-11am

Where: Children's National Health System
