

FOCUS GROUPS NOW FORMING for an in-depth discussion around pediatric oral health in the District of Columbia.

Work in Ward 7 or Ward 8? We want to **HEAR FROM YOU** about the state of oral health literacy from a professional's point of view.

What have you done? What can and should be improved? **HOW CAN WE HELP?**

November 3

THEARC

**1901 Mississippi Ave SE
Washington, DC 20020**

6:00 – 7:30 pm

Join the DC Pediatric Oral Health Coalition in Our FOCUS GROUP

We want to hear your thoughts on how oral health literacy in the District of Columbia can be improved.

The DC Pediatric Oral Health Coalition:

- Mission is to advocate for improved oral health access and care for all children in the District of Columbia.
- Envision optimal oral health access and care for all children in the District of Columbia.
