**When:** March 20, 2019: 6-8pm

**Where:** Eckington A/Eckington B. Conference Room (9<sup>th</sup> floor)  
750 1<sup>st</sup> Street NE, Washington, DC 20002

**Interested in attending?** Please RSVP by emailing [providerregistration@conduent.com](mailto:providerregistration@conduent.com)

### Panelists:

- DaShawn Groves, DrPH from DC Department of Health Care Finance
- Melissa Baiyewu, MS, CHES from Children's National Health System
- Asad Bandealy, MD from Children's National Health System
- Anupama Tate, DMD, MPH from Children's National Health System
- Elizabeth Caritj, LICSW, LCSW-C from Catholic charities of the Archdiocese of Washington

**Topic:** Improving Access to Oral Health & Addressing Social Determinants of Health

### Learning Objectives:

- Identify three key Health Information Technology and Health Information Exchange objectives around social determinants of health.
- List two local Pediatric Dental and Primary Care Pediatrics collaborative programs that can be implemented more broadly across the District.
- Describe the role of Community Dental Health Workers in addressing barriers to access to oral health care.
- Identify tools to achieve safer and more effective patient care activities.
- Describe how behavior health impacts oral health.
